PROFESSIONAL EXPERIENCE

Growth & Digital Marketing Manager - Financial Markets Platform (Kameda Channel)

2021 - Present

- Owned end-to-end YouTube and social media channel strategy for a major Forex and Crypto financial platform, driving significant growth in subscribers, watch time, and qualified lead generation.
- Developed and executed comprehensive content calendars featuring long-form market outlooks, weekly technical analysis, trading education, and platform tutorials, ensuring consistent publishing schedules.
- Authored high-converting scripts and hooks for video content, accurately explaining complex financial concepts (CFDs, leverage, spreads) to new traders while maintaining strict regulatory compliance and risk warnings.
- Managed video production end-to-end, briefing editors, motion designers, and presenters to maintain high quality standards for shoots, editing, thumbnails, and captions.
- Optimized channel discovery through structured A/B testing of titles and thumbnails, leveraging YouTube Studio data (CTR, average view duration, retention curves) to refine content strategy and boost organic reach.
- Grew Arabic-speaking audiences in Egypt and the wider MENA region by localizing content and adapting messaging to cultural nuances, resulting in increased engagement and trust.
- Integrated YouTube content with acquisition funnels using tracked links, UTMs, and pinned comments to drive registrations and funded accounts, collaborating with performance marketing teams on retargeting audiences.
- Built and managed community engagement through comments, live chat, and premieres, handling negative sentiment with sound judgment and ensuring adherence to platform policies on financial content.

Community & Marketing Manager - XT.com (Crypto Exchange)

2020 - 2021

- Supported user growth and engagement strategies across MENA, EU, and Asian markets, focusing on content-driven acquisition and retention.
- Executed AMA campaigns and KOL relations, collaborating with finance creators and presenters to

produce engaging video and live stream content.

- Analyzed channel performance metrics to identify growth opportunities, applying data-driven insights to improve content resonance and audience retention.
