PROFESSIONAL EXPERIENCE

Growth & Digital Marketing Manager - Financial Markets & Crypto Platforms (MENA/EU/Asia)

2021 - Present

- Led integrated B2B marketing and PR strategies for high-growth financial platforms, successfully translating complex technical offerings into clear, compelling value propositions for institutional and retail audiences.
- Managed multi-channel marketing campaigns across MENA, EU, and Asian markets, driving significant brand awareness and lead generation through strategic media buying and targeted content distribution.
- Built and maintained relationships with key journalists, media outlets, and industry influencers, resulting in increased press coverage and enhanced brand credibility in competitive sectors.
- Coordinated industry events, product launches, and executive speaking opportunities, positioning the brand as a thought leader and driving high-quality engagement with key stakeholders.
- Monitored industry trends and campaign KPIs, optimizing marketing budgets to maximize ROI and ensure alignment with broader business growth objectives.

Community & Marketing Manager - XT.com (Crypto & Web3)

2020 - 2021

- Developed and executed strategic communications plans to elevate brand presence, focusing on consistent messaging across digital channels and offline touchpoints.
- Managed user growth and engagement through targeted AMA campaigns and KOL relations, fostering a strong community and driving adoption in the MENA and European markets.
- Collaborated with product and engineering teams to create accurate and engaging content that highlighted technical innovations and user benefits.
- Tracked campaign performance and adjusted strategies based on data insights, ensuring efficient use of resources and improved conversion rates.
